There's a man who lives over the ocean  
And who has got a great notion  
That he is the World's Greatest Hope  
He's Giovanni Montini, the Pope

Giovanni Batista Montini  
He lives in the Vatican-nini  
He's Italian; he doesn't use soap  
He's Giovanni Montini, the Pope!

When Atheists try to distract him  
He doesn't let it upset him,  
He just makes the High Sign on his chest,  
Lets his Boss Man take care of the rest!

No cherub could ever sub-pee-ni  
Giovanni Batista Montini  
For how can you possibly quibble  
With a man who is infalli-bibble?

Giovanni Batista Montini  
He lives in the Vatican-nini  
And he don't even have to smoke dope  
'Cause he's Giovanni Montini  
You know who I mean-i  
The one with the beanie!  
Giovanni Montini, the Pope!
