In the land of Patagarang the murkies are dreaming  
In the land of Patagarang they don't know who we are  
In the land of Patagarang the murkies are dreaming  
In the land of Patagarang we'll sail into the bay

I'm going with my peculiar  
To a place of infinite space  
With the mollies and punks and fluters  
Buzz gloaks and star glazers  
They'll turn you into a creature, if you're not strong  
A man with marsupial features, on the horizon  
For impersonating an Egyptian you go to the land  
Of the Patagarang Patagarang  
In the land of Patagarang the crow lies backwards  
In the land of Patagarang the stars are upside down

God botherers pray repentance  
Politicals and jobs  
Goodbye to independance  
Welcome to the mobs

They'll turn you into a creature, if you're not strong  
A man with marsupial features, on the horizon  
For impersonating an Egyptian you go to the land  
To the land of Patagarang Patagarang

In the land of Patagarang the murkies are dreaming  
In the land of Patagarang the stars are upside down
