I found my sugar daddy, oh
I found my sugar daddy

Sugar daddy you are my one sweet thing
You keep me nice and warm in your big, strong arms
I love you
Oh, sugar daddy I got a craving for you
You are the only one livin' under the sun
And I love you

Well I cruised around the Caribbean
Yes I searched the island through
You know I travelled the whole world over
Just to find a sweet sugar daddy like you
I hunted high and low in Acapulco
I tried the Riviera, too
Oh, but little did I know that in New York City, lover
You was all I had to do, Oh

I found my sugar daddy, oh
I found my sugar daddy, oh
I found my sugar daddy, I know, I know
I found my sugar daddy

Get on the floor sugar daddy
Pour a little sugar in
Get on the floor sugar daddy
Let's let the love begin

Get on the floor sugar daddy
Pour a little sugar in
Get on the floor sugar daddy
Let's let the love begin

Sugar daddy you are my one sweet thing
You keep me nice and warm in your big, strong arms
I love you
Oh, sugar daddy I got a craving for you
You are the only one livin' under the sun
And I love you

I found my sugar daddy, oh
I found my sugar daddy, oh
I found my sugar daddy, oh, I know
I found my sugar daddy
