Faster is a heartache
To cut this feeling through
I never want to lose ya
I am stuck inside of you

I've given you this reason
to hide your innerdays
i hold this revolution
to get what i can take

Straid up to your shoulder

I told you sweet alution
to taste your burnaly
i hang your only hollow
i turn your hole to hate

I never want to lose ya
im cut beneath the ways
i show you what you wanted
i hide behind your face

Straid up to your shoulder (2x)

Yeah

Straid up to your shoulder

Yeah

Better got it right

Open your mind yeah
for the feeling alone (2x)

Straid up to your shoulder (2x)

Faster is a heartache
To cut this feeling through
I never want to lose ya
I am stuck inside of you

I got you running (2x)
Yeah i got you running
right
