Rocked down you wanna feel but you coutind be oh
yeah (2x)

But if you want to get around
get around from the break of dawn
to the test of what it seems

But if you want to get allright
i tell your trick that im breaking for
another round of what it feels yeah

But if you want to get me down
turn your back from the break of dawn
another gest of what it meens yeah

But if you want to get allright
i tell your trick that im breaking for
another gest of what it meens yeah

Lets Go
Rocked down you wanna feel but you coutind be oh
yeah (2x)

But if you want to get around
get around from the break of dawn
another gest of what it needs yeah

But if you want to get allright
i tell your trick that im breaking for
another gest of what he seels yeah

But if you want to get me down
turn your back from the break of dawn
another gest of what you need yeah

But if you want to get allright
i tell your trick for the break of down
another gest of what you need yeah

So now you wanna feel the day
turn your back of what you need

seeing colours in the rain
not me

So if you wanna show this grey
turn your back of what you need
flying high across the sea
just me
