"Because I Love You"

I love you, I love you

You say that you love me
We both know
You don't mean it everyday
Somehow you got me
So I put up with anything you say

Because I love you
Because I love you

I'd rather be with you, whenever
Than without you all the time
And I will forgive you, whatever
Just to say that you were mine

Because I love you
Because I love you
Because I love you
Because I love you

I love you
Do you love me?
When tomorrow comes
I guess we'll see
When I push in
You pull out
But you still need me

Yes I do, yes I do, yes I do now
Yes I do, yes I do, yes I do now

Because I love you (Yes I do, yes I do, yes I do now)
Because I love you (Yes I do, yes I do, yes I do now)
Because I love you (Yes I do, yes I do, yes I do now)
Because I love you (Yes I do, yes I do, yes I do now)
