You...

Don't want hear your name!  
Don't wanna see your smile!  
Cause Baby I'm still crying.

And go, it's time for you to get out!  
I'm sick of standing my ground,  
Cause I just end up running.  
And I go to sleep believin' in tomorrow,  
But I wake up screaming, half way through the night.

You know I can't get over,  
And I don't know why?  
You know I can't get over,  
No matter how I try,  
And I don't know why?

We...  
Will always be the same!  
You say it's time for a change,  
But I don't see, one coming.

So I climb out of the darkness of your lovin,  
But I end up falling back into your arms

You know I can't get over,  
And I don't know why?  
You know I can't get over,  
No matter how I try,  
And I don't know why?

From beginning to end,  
once again right back to where we started.  
I know, I'm right  
We were wrong all along!

You know I can't get over,  
And I don't know why?  
You know I can't get over,  
No matter how I try.

You know I can't get over,

And I don't know why?  
You know I can't get over,  
No matter how I try,,  
And I don't know why?

You know I can't get over!
