It's raining in your face
But the sun is all around
Get on board a plane
Where it keeps it on the ground
You try to fall asleep
Keep falling out of bed
It's on the tip of your tongue
But it never leaves your head

Everywhere you go is never better as you regret it
You never get what you paid for
Everything you do you never make it cause you can
take it
You never get what you paid for
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na, na, na

You meet somebody new
Time to get a life
Cooking for two and meet Charles up with his wife
Its moments people said
Your name is like a curse
If something's really bad
You can always make it worse

Everywhere you go is never better as you regret it
You never get what you paid for
Everything you do you never make it cause you can
take it
You never get what you paid for
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na, na, na

Behind you love, you come when they go
You're falling, crawling forever
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na, na, na

Everywhere you go is never better as you regret it
You never get what you paid for
Everything you do you never make it cause you can
take it
You never get what you paid for
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na, na, na, na
