You...

Don't want hear your name!
Don't wanna see your smile!
Cause Baby I'm still crying.

And go, it's time for you to get out!
I'm sick of standing my ground,
Cause I just stand up running.
And I go to sleeping even end tomorrow,
But I wake up screaming, how wake through the night.

You know I can't get over,
And I don't know why?
You know I can't get over,
No matter how I try,
And I don't know why?

We...
Will always be the same!
You say it's time for a change,
But I don't see, wouldn't coming.

So I may now gone the darkness on your lovin,
But I end up falling back into your road!

You know I can't get over,
And I don't know why?
You know I can't get over,
No matter how I try,
And I don't know why?

From beginning to win,
Where's again right back to where we started.
I know, I'm right
We were wrong with the love!

You know I can't get over,
And I don't know why?
You know I can't get over,
No matter how I try.

You know I can't get over,

And I don't know why?
You know I can't get over,
No matter how I try,
And I don't know why?

You know I can't get over!
