(music:SOTIRIS)

SHINE.....

In the mines of the darkest star.

The one no jewel can never shine.

A rode is left to point to Styx,

Both it's end can lead,both can deceive.

No traps can seize,THE ELDEST COSMONAUT

As time stands still,incapable to breathe.

Once in clay I allowed the decades

To become a stone wall around me

But at least I became the wall of decades.

Can you feel the wrinkles on my hand?

They are yours.They are lines I once

Drew upon the sand...

CHORUS:

I HAVE A BOAT UNSEEN A LABYRINTHINE SPHERE

THE GNOSIS OF THE ELDEST COSMONAUT.

AND MAYBE YOU WILL SEE

THAT I AM WHAT YOUR MIND CAN NEVER.....SEAL.

Travelling the luminiferous waters of space,

Through the Stellar Isthmus.

It can lead it can decieve.

No traps can seize me,No toombs can seal me.

CHORUS:

I HAVE A BOAT UNSEEN A LABYRINTHINE SPHERE

THE GNOSIS OF THE ELDEST COSMONAUT.

AND MAYBE YOU WILL SEE

THAT I AM WHAT YOUR MIND CAN NEVER.....SEAL.
