FRIENDSHIP

Verse1

When were young and also free
We were best friends you, and us three.
The West boys wild and free.
There were no others the
West boys our only company.
We would party into the night,
Back each other in a fight.
Our friendship was strong and tight

CHORUS

Friendship is an endless smile,
Friendship is an endless, reflection of time
No effort to go the extra mile
Friendship for life is not easy to find.
Friendship can only be made in time.
Friendship for life is not easy to find.
Friendship is made in time.
Friendship is a smile on, reflection of time
Friendship is like fine bottle of wine

Verse 2

You take a job a hundred miles away.
You Work a job twelve hours a day.
Waiting for Friday and too get payed.
Then drive to your friends all the way...
Get your car, cash and get drunk,
And try to get laid.
And party it's Saturday

CHORUS

Friendship is an endless smile,
Friendship is an endless, reflection of time
Friendship is can only be made in time.
No effort to go the extra mile
Friendship for life is not easy to find.
Friendship can only be made in time.
Friendship is an endless, reflection of time.

Verse 3

Years pass by and relationships die
To wedding bells and maternity spells.
A song from the past reminds you of friendships that
last.
So Sing it loud and sing it proud.
For a friendship that has no dark clouds.
The West boys journey of friendship that lasts,
From your first lover to your last.
Our friendship will never die.

CHORUS:

Verse 4

Story's we do tell Twenty years on.
The reflections and so on.
To relive in our mind.
Is like that a day has never gone.
To laugh with you now your friendships go on.
The west boy's friendships live on.
In all our teenage songs.

CHORUS:
