You walk through the door.
Dressed in lace,
Your perfect body,
Your pretty face
This love I have for you is bringing me, to my knees.
But still my heart beats at ease...

Baby lie back-baby lie back
Lie back and let my lips love you.
Let my tongue twist
It s web around you.
At last true loves found you.

Your everything I adore.
Nothing less and nothing more
I wake in the morning,
Stand at the door,
Looking back at you.
I'm always wanting more
You're like my drug.
I need to score...

CHORUS

Baby lie back-
Baby lie back-
Baby lie back
And let me give you more.
Baby lie back let my lips love you.
Let my passion engulf you.
Let my tongue twist around you.

You've got legs a man lives for,
When you wear that mini
They knock me to the floor.
With that perfect body,
And your pretty face.
Your curves I need to embrace

CHORUS;

Baby lie back-

Baby lie back-
Baby lie back
And let me give you more.
Baby lie back let my lips love you.
Let my tongue taste you some more.

With fire in your eyes
Your halo and wings as your disguise.
And lips that tantalise,
I can't help but let your beauty, hypnotise.
You're the beauty given to me from the skies

CHORUS;
Baby lie back-
Baby lie back-
Baby lie back
And let me give you more.
Baby lie back let my lips love you.
Let my tongue taste you some more
