chest

[Verse 2: Lil' Wayne]

An they suck everything out of it then they catch it and  
swallow it  
I'm Lil Weezy for sheezy, I'm off the heezy believe me  
See me, I squeeze in between it, and then I leave it so  
greasy  
When I come through in a Rolls Royce, leave them with  
no choice  
but to hop up in it an just let me make they throat moist  
Ruby red an vodka it just carry a nigga  
Give me three minutes maybe four she be wantin to

[Chorus 2X: Juvenile]
