[Verse 1: Mannie Fresh]

This is for Deshawn, Eshlawn, Lil Mama, and her
friends
Lisa, Teresa, Maria, Tia, Lia and Kim
I love y'all broads, no disrespect to my dogs
but I love y'all broads, yea I love y'all broads
To the ladies havin babies without no drama
To my niggas with figgas say I love my baby momma
I bought them shoes, them tattoos, an even fixed yo
breasts
I put you inside the flyest rides an even put a "\$" on yo
chest

[Verse 2: Lil' Wayne]

This is for the ones who wobbled it and be puttin they
mouth on it
An they suck everything out of it then they catch it and
swallow it
I'm Lil Weezy for sheezy, I'm off the heezy believe me
See me, I squeeze in between it, and then I leave it so
greasy
When I come through in a Rolls Royce, leave them with
no choice
but to hop up in it an just let me make they throat moist
Ruby red an vodka it just carry a nigga
Give me three minutes maybe four she be wantin to
marry a nigga

[Chorus 2X: Juvenile]

Give me a project bitch
Give me a hoodrat chick
One that don't give a fuck
An say she took that dick

[Verse 3: Juvenile]

My momma send me by my grandma, my grandma

So I rolled out, scoped me out an sold out
but I fucked up when I started livin up in this hoes

cause she was suckin a nigga dick so good keepin it

Lettin a nigga cum all over her chest and tongue
She was still-un, I spared her because her chil-drun
She was a hoe she gave me head behind a building
aint sellin records but her mouth could sell a million
if you wanna take it there we can break it off
cause yall pussy aint gotta nigga tweakin at all
I slang this dick summer winter spring an the fall

I'm tryin to hit ya from the back to ya house
Cause lord this mothrfuckin dick good and it always be

[Chorus]
