I love y'all broads, no disrespect to my dogs

To the ladies havin babies without no drama

To my niggas with figgas say I love my baby momma

I bought them shoes, them tattoos, an even fixed yo breasts

I put you inside the flyest rides an even put a "\$" on yo chest

[Verse 2: Lil' Wayne]

This is for the ones who wobbled it and be puttin they mouth on it

An they suck everything out of it then they catch it and swallow it

I'm Lil Weezy for sheezy, I'm off the heezy believe me

See me, I squeeze in between it, and then I leave it so greasy

When I come through in a Rolls Royce, leave them with no choice

but to hop up in it an just let me make they throat moist

Ruby red an vodka it just carry a nigga

Give me three minutes maybe four she be wantin to marry a nigga

[Chorus 2X: Juvenile]

Give me a project bitch

Give me a hoodrat chick

One that don't give a fuck

An say she took that dick

[Verse 3: Juvenile]
