Babel's Gate

You build a tower  
A giant mountain  
Opened a God's gate  
To reach the heavens  
Only power  
Rules this stargate  
You make a statue  
A golden idol  
Holding his sword high  
It will be placed up  
Only power  
Rules this stargate  
All want the power  
Now all divided

You speak your words loud  
And cannot hear  
What the others try to say  
Blind confusion  
Tongues now slay  
Words are burning

Babel's gate  
Human's reign  
Babel's gate  
Sky is on flames  
Babel's gate  
All in vain?  
Babel's gate  
Nothing same

Only power  
Rules this stargate  
All want the power  
Now all divided

You speak your words loud  
And cannot hear  
What the others try to say  
Blind confusion

Tongues now slay  
Words are burning
