I feel so far away,  
It's such a lonely day, away from you.  
I feel like cellophane,  
I look right through the pain,  
To catch a glimpse of you.

I know time is wasted,  
You're not hesitating.  
You say it's a waste of time.  
I know time is precious,  
You're not over-special.  
You say it's a waste of time.

I try to put it all behind.  
Try to drink you off my mind,  
'Cuz I'm not near you.

Oh I didn't have to go that day.  
You took my cat and went away,  
Now I'm not near you.

I know time is wasted,  
You're not hesitating.  
You say it's a waste of time.  
I know time is precious,  
You're not over-special.  
You say it's a waste of time.

I can picture you,  
Staring at the floor.  
Walking out that door.

I felt so far away,  
No more lonely days away from you.

I know time is wasted,  
I'm not hesitating.  
I say it's a waste of time.  
(It's a waste of time)  
I know time is precious,  
You're not over-special.

I say it's a waste of time.  
(It's a waste of time)

It's a waste of time.  
(It's a waste of time)  
It's a waste of time.  
(It's a waste of time)
