Image of the invisible God, the radiance of God's glory
The first born through whom the world was created
And the appointed heir of all things
Jesus, You are the light of Glory, the perfect imprint of
God's nature
Your word of power upholds the universe; as You sit on
Your throne we'll join the angels and sing

Your throne oh God, Your name and kingdom are
Forever and ever, Forever remain
You laid the foundations of the earth and crafted the
heavens with Your fingers
All will pass away, like clothing they will change
But Your years have no end, they are forever the same
