"Isaiah 53"

Despised and rejected by man;
A man of pain He knew only grief
He was wounded for my sins

Tw'as God's own will that He should crush
His only beloved
For His soul to be our sacrifice

He is worthy, worthy
Hallelujah I am Saved! Hallelujah I am pardoned

Innocent I am declared, blameless for eternity
In justice the judge has paid my penalty

By His sentence I have peace
By His stripes I have been healed
By His blood I have been given life
