"Choke"

Pray for another life
Pay, regain your pride

See your brain
(Choke, choke, choke)
Watch it drain
(Choke, choke, choke)
See your greed
(Choke, choke, choke)
Watch it breed
(Choke, choke, choke)

Fake, you're falling down
Choke, your neck is broken

See your brain
(Choke, choke, choke)
Watch it drain
(Choke, choke, choke)
See your greed
(Choke, choke, choke)
Watch it breed
(Choke, choke, choke)

Oh, victim in conflict, the ambush of fear
My doubts, my limits, the pulse of my war

See your brain
(Choke, choke, choke)
Watch it drain
(Choke, choke, choke)
See your greed watch it breed
(Choke, choke)
