Hate - A Feeling We Can See  
Create Fictitious Enemy  
Outlaw Of Expression  
Forget Past Wars We Have Fought

Watchers Of Morality  
Told By The Hierarchy  
Machine To Society  
Falling To Conformity  
Terrified To Speak Your Mind  
.....Government  
Doesn't Matter Who You Are  
For Our Own Good

Build, Upon Nation's Security  
Police State - Brutality  
Final Infliction - Manifestation  
The Doctrine Is - Too Many Wars

Terror Is Control  
The Key's - Distrust (?)  
Annihilate Free Thought  
Despise The Unknown

Watchers Of Morality

Told By The Hierarchy  
Machine To Society  
Falling To Conformity  
Terrified To Speak Your Mind  
.....Government  
Doesn't Matter Who You Are  
For Our Own Good

Build, Upon Nation's Security  
Police State - Brutality  
Final Infliction - Manifestation  
The Doctrine Is - Too Many Wars
