Before we're born  
Before we walk  
Before we talk and hate  
Yet to come the perfect rule

After we win  
After we lose  
After the dawn is late  
Do it now or shut your mouth

No lack of trust  
(Just trust myself)  
No more perhaps  
(No more false step)  
Changes in sight  
(Sight)  
Common bonds  
Yea yea yea

Fear the fate that's not the shape of the soul  
Trust the heart and share to ease the pain  
No mistake is big enough to bring you down  
The wrinkles on your face is strength in your mind

No lack of trust  
(Just trust myself)  
Changes in sight  
(Sight)  
Common bonds  
Aah  
Yea aah

The urge to win  
A time to strike  
Follow no one  
Follow no one

Strength in mind
