Visit "[Dead Embryonic Cells](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Heaven, I'm in heaven  
And my heart beats so that I can hardly speak  
And I seem to find the happiness I seek  
When we're out together dancing cheek to cheek

It's heaven, I'm in heaven  
And the cares that hung around me through the week  
Seems to vanish like a gambler's lucky streak  
When we're out together dancing cheek to cheek

Oh, I'd love to climb a mountain  
And reach the highest peak  
But it doesn't thrill me half as much  
As dancing cheek to cheek

Oh, I'd love to go out fishing  
In a river or a creek  
But I don't enjoy it half as much  
As dancing cheek to cheek

Now Mamma, dance with me  
I want my arms about you  
The charms about you  
Will carry me through

It's heaven, I'm in heaven  
And my heart beats so that I can hardly speak  
And I seem to find the happiness I seek  
When we're out together dancing cheek to cheek

Heaven, I'm in heaven  
And my heart beats so that I can hardly speak  
And I seem to find the happiness I seek  
When we're out together dancing cheek to cheek

Heaven, I'm in heaven  
And the cares that hung around me through the week  
Seem to vanish like a gambler's lucky streak  
When we're out together dancing cheek to cheek

Oh, I'd love to climb a mountain  
And to reach the highest peak

But it doesn't thrill me half as much  
As dancing cheek to cheek

Oh, I'd love to go out fishing  
In a river or a creek  
But I don't enjoy it half as much  
As dancing cheek to cheek

Come on, and dance with me  
I want my arm about you  
The charm about you  
Will carry me through to heaven

I'm in heaven  
And my heart beats so that I can hardly speak  
And I seem to find the happiness I seek  
When we're out together dancing cheek to cheek

Yes, dance with me  
I want my arms about you  
The charms about you  
Will carry me through to heaven

I'm in heaven, I'm in heaven  
And my heart beats so that I can hardly speak  
And I seem to find the happiness I seek  
When we're out together dancing cheek to cheek

Cheek to cheek  
Cheek to cheek  
Cheek to cheek
