You make me mute
Hiding the truth
Revealing the farce
Created by your mind

What do you expect?
For your lie
Printed in your eyes
There's no alibi

To co-operate
And not be allowed
They're killing my name
Sewing my mouth

Prospect in life
Lost in the line
To co-operate
And be alive

You gonna fall hiding the truth
You gonna crawl finding the truth
To blame myself it's my disgrace
To blame the world by my mistakes

Dust
Dust
Dust

Turn around and turning around
And turning around and inside out
Turn around and turning around
Turning around and inside out

Do not disturb
Leave me alone
The fear within inside and beyond
The fear within inside and beyond

You make me mute
Hiding the truth
Revealing a farce

Created by your mind

What do you expect?

Exposing your lies

Printed in your eyes

There's no alibi

You gonna fall hiding the truth

You gonna crawl finding the truth

To blame the world by my mistakes

To blame myself it's my disgrace

Dust

Dust

Dust
