Doom is near in this night  
Bloody skulls are over the pentagram  
Cry for the sabbath bells  
Fallen angel screaming for mercy

It's the time to bury the priest  
Down of Meggido, your grave  
Sky turning as black as spell  
Haunting my eyes and mind

Funeral rites  
Funeral rites  
Rites

You are chosen by hell  
Dig your sepulcher  
We force you to come in  
Bury you alive

Black songs at the funeral  
Rotting corpses mutilated over the ground  
Graves will be violated  
Corpses will be stolen

Funeral rites  
Funeral rites  
Rites
