Explode in disorder no matter the prize  
Steps on the path, the righteous do find  
Try as they will but they cannot divide

Time is relentless, pushing us on  
Restoring our fate, we never lost sight  
Spirits evolving, flowing as one  
Having no limits, all hatred aside  
Try as they will but they cannot divide

Divide divide divide  
Divide divide divide  
To divide  
To divide  
To divide

Live for the sound, loud to survive  
My will has no bounds to keep this alive  
Truth pave the way, to the world that I know  
Love for our brothers we'll not fail to show  
Learn what we hear, see what we feel  
The air that I breathe could not be more real  
Spit out bitter pill that made me want to hide  
Try as they will but they cannot divide

Cannot divide  
Cannot divide  
Cannot divide  
No  
No

Time is your enemy only if you let it be  
I won't let my future get away from me  
Listen  
Let go  
Out of  
My mind  
Out of  
My mind  
Listen  
Let go

Need to reach seek to find  
Will not breach cannot divide

[incomprehensible]
