Fear ties you up  
And you don't grow  
Being wrong and lost  
No one admits the defeat

Conscience is fair  
Unfaithful words  
Betrayal and greed  
Past thoughts to win alone

Envy, still strong  
Hatred, still alive  
From beyond an empty world  
Infected voice, a scream alone

Infected voice

My throat is dry  
A last cry tries to escape  
Guilt and frustration  
No time to turn around

Looking behind, I'm not alone  
Are they friends or enemies?  
Going insane without a cure  
Scarring my eyes, visions lost

Remorse for the human race  
Fear of becoming them  
Envy, the strongest feeling  
Hatred still in their heart

Envy, still strong  
Hatred, still alive  
From beyond an empty world  
Infected voice, a scream alone

Infected voice
