Born with remorse
To a cold barren place
Battle between minds
Hungry for words of prey

Contradictory truth
Secrets in lies
Meaningless
Movements

Icons reviews their sins
Faith cheaper than thou
Doubting your ideals
Torment shreds your brain

Fearful fantasy
Respects the unknown
Turning your heart red
A requiem to celebrate, you

Words I can not understand
Shrieks in my moment of pain
Imposter hides behind a mask
My words against your lies

Turn my head
To see what I know
A shadow without form
Painted on the wall

Born with remorse
To a cold barren place
Battle between minds
Hungry for words of prey

One moment's mistake
False steps in the ground
Laws made by the blind
Ruling reign of light

Contradictory truth
Secrets in lies

Meaningless
Movements
