Your Greed Is For Money
My Greed Is For Land
Shut Off My Eyes
Clog Up My Ears
Cut Off My Tongue
You'll Still Hear Me Coming

My Blood Is Thicker
My Pain Will Rise
Fueled With The Hate I Feel
Boycott My Ideas

Infiltrated With The Lies
That You're Feeding Me
One Man Army

Our Strength's Your Weakness
Our Truth's Your Lies
Shut Off My Eyes
Clog Up My Ears
Cut Off My Tongue
You'll Still Hear Me Coming
Surrounded By Mistrust
All You Hear Is - What You Fear And
Trapped In Your Mind
All You Know Is - What You See
All You Fear Is - What You Don't Know

And What You See Won't Last Forever
One Man Army

Tormenting You Forever And Ever
Our Truth Will Echo And Echo Forever
You'll Still Hear Me Coming Through To You
Boycott My Ideas
Infiltrated With The Lies
Fueled With The Hate I Feel

That You're Feeding Me
One Man And I'm Coming For You
