So You Want A Nation?  
Push The Machine Aside  
Your Very Own Nation

Many Have Tried

We Will Always Be There  
And Feed Us  
We Have Always Been There  
Making Sure You Need Us  
We Got The Money  
We Got The Power  
We Got The Guns  
We Got Tv

You Are Our Livestock  
We Make You Love It  
Slave And Dream For Escape  
But Scared To Death Of Change

Want To Hear My Speech?  
Want To Share My Thoughts?  
Protest! Protest!

Is It Worth The Hassle?  
Worth All Your Precious Time?  
...Come Now  
You'll Grow Old, You'll Give Up  
We Farm You

We Milk You  
Your Energy's For Us To Drain  
Office, Sweatshop, Plantation, The Same  
I Know We Can Survive Our Choice

I Know We Will Survive  
I Know We Can Be What We Want To Be  
I Know We Can Survive

The Only Game We Know  
Make More, Take More  
We Must Have More And More

You Are Our Marketplace  
Control More  
Not A Community  
No Subcommandante Ski-Mask  
Will Lead You To No Promised Land

Want To Hear My Speech?  
Want To Share My Thoughts?  
Protest! Protest
