Why don't you get a life and grow up  
Why don't you realize that you're fucked up  
Why criticize what you don't understand  
Why change my words, you're so afraid

You think you have the right to put me down  
Propaganda hides your scum  
Face to face you don't have a word to say  
You got in my way, now you'll have to pay

Chorus  
Don't, don't believe what you see  
Don't, don't believe what you read  
No!!!

I know my ways, I'm here to stay  
I didn't star all this yesterday  
I'll prove you wrong all the way  
Life teaches me you're always alone

Chorus
