Waht did I do to deserve this agony?  
Filled with desire and ambition but no more  
Free from the anger but conditioned and alone  
Drowned in the tears of the tears of the one thing that  
once loved

The onset of slaughter still rages on!  
The future is so black the thrill is gone!

Lack os trust buried deep  
Sadistic values haunting me

Haunting me!  
Sadistic values, haunting me!

Robotic wyes are watching  
It's time for a new world order

Reverse the rules kill the need  
Increasing pressure follows me

Follows me!  
Sadistic Values, haunting me!
