Take my advice if you want all the boys  
To treat you nice you better act like  
You can take 'em or leave 'em

When it's cold outside and they knock at your door  
Just look through the window and ask 'em what they  
came for  
It's true

'Cause people are funny and they don't know what they  
want when they have it  
It's only things they don't know that they can believe in  
Yeah, just take 'em or leave 'em

Aah uuhuhh, just take 'em or leave em

Well I was in love with a cute little boy  
One time in my life and he broke my heart in two  
It's true

Well I saw him dressed the other day  
He looked the other way and then I knew  
He'd loved me too  
'Cause people are funny and they don't know what they  
want when they have it  
It's only things they don't know that they can believe in  
Yeah, just take 'em or leave 'em

Aah uuhuhh, just take 'em or leave em

Yeah, people are funny and they don't know what they  
want when they have it  
It's only things they don't know that they can believe in  
Yeah, just take 'em or leave 'em

Aah uuhuhh, you take 'em or leave 'em

Take my advice if you want something nice  
Just don't act so desperate about it, ooh uuhuh  
Just take 'em or leave 'em

Aah uuhuhh, just take 'em or leave 'em
