If yuh know yuh love yuh girl  
Don't say things that you'll regret  
It's Serani, (it's Serani)

Sometime I wish you wouldn't say the shit  
That you say to hurt me  
Like fuck you  
Yuh don't love me anymore  
You find another man fu sure  
We put our all into this relationship  
To flush it down, it's a pit  
Fuck that shit  
Baby I love you (aahh)

Even though I tell you lies  
You find it in your heart to forgive me (oh-oh, oh-oh)  
Even though I curse at you  
You know I don't mean it  
I still wish you wouldn't curse me too

Remember girl  
Remember the time  
The first six months  
When everything was perfect  
Your heart was mine  
Cherish those memories  
Cause your worth it  
Damn girl but now we fight  
You try to provoke me  
But I'll never hit you girl  
Cause you don't deserve it

Even though I tell you lies  
You find it in your heart to forgive me (oh-oh, oh-oh)  
Even though I curse at you  
You know I don't mean it  
I still wish you wouldn't curse me too

We cuss den we break up  
Then we fuck that's how we make up  
Why do we keep doing this shit to each other (aahh)

All I want is to be with you, girl  
And I know you want to be with me

Even though I tell you lies  
You find it in your heart to forgive me (oh-oh, oh-oh)  
Even though I curse at you  
You know I don't mean it  
I still wish you wouldn't curse me too

Even though I tell you lies  
You find it in your heart to forgive me (oh-oh, oh-oh)  
Even though I curse at you  
You know I don't mean it  
I still wish you wouldn't curse me too

It's Serani  
Remember girl...
