It's it's it's Serani
This one is for the ladies
Serani's babies

[Verse 1]
That thing that I want from you
Almost anything I would do
I'll never be true
So just give it up give it up baby

[Chorus]
Girl I've been wanting you from the first day.
Day dreaming of you makes me hallucinate
Girl I want your body
I'm willing to meet your mommy
You got the remedy to make me feel so great

[Verse 2]
I won't stress her
Me know better
Me and you together
Will make it better and better
She knows that I got it
L'll meet her mommy
To make her dance and sing like jolly
I mean... come on it baby girl

[Chorus]

[Verse 3]
When I'm around I make you blush girl
Take your time there's no need to rush
Hearing your friends say such and such
That I'm not the one to make your heart start blubbing
Ten years since I had this crush
If your Juliet then I'm Romeo
Me and you together is a royal flush
Stay in touch

[Chorus]

That thing that I want from you
Almost anything I would do
I'll never be untrue
So just give it up, give it up baby

[Chorus]
