Well, love don't make me happy  
It just keeps me occupied  
Just another fussy habit  
That's been eating up my time

But when it's gone  
I want it back  
I know I should appreciate  
Everything that I have  
I don't know why it's not enough for me

Well friends don't make me happy  
I just need them to survive  
Cuz I'm always getting sappy  
And I need some place to cry

But when I'm down  
When I'm out  
It doesn't matter who I'm with  
I try to talk  
But I can't  
I don't know why it's not enough for me  
It's not enough for me

Well, I know that I'm childish  
And I'm trying to change  
I know I'm insatiable  
And I know it's strange  
But everyone's been down on me  
For living like I do  
And I just hope someday I'll be  
Good enough for you

But when I'm down  
When I'm out  
I take for granted everything that I have  
I don't know why  
I don't know why it's not enough

Sex don't make me happy  
It just helps me to forget

But it's only temporary  
And in the end I'm just a mess again

But when it's gone  
I want it back  
I know I should appreciate  
Everything that I have  
I don't know why it's not enough for me  
It's not enough for me
