Under a witches sky  
They cast that spell on me  
My d dolls spread their legs  
And masturbate ta tease

Then she said...  
She said...

[chorus]  
Welcome to heaven  
We burn tonight  
Welcome to heaven  
I'll make ya mine

Love me baby (x4)

My sin upon their lips  
My kittens start to purr  
Like flames tongues beckon me  
To spill my lust on her

Then she said...  
She said...

[chorus]

Love me baby (x4)

[chorus]
