Big Tymers feat. Juvenile, Lil' Wayne

Project Bitch

Lisa, Teresa, Maria, Tia, Lia and Kim

I love y'all broads, no disrespect to my dogs

but I love y'all broads, yea I love y'all broads

To the ladies havin babies without no drama

To my niggas with figgas say I love my baby momma

I bought them shoes, them tattoos, an even fixed yo
breasts

I put you inside the flyest rides an even put a "S" on yo'
chest

[Verse 2: Lil' Wayne]

This is for the ones who wobbled it an be puttin they
mouth on it

An they suck everything out of it then they catch it and
swallow it

I'm Lil Weezy for sheezy, I'm off the heezy believe me
See me, I squeeze in between it, and then I leave it so
greasy

When I come through in a Rolls Royce, leave them with
no choice

but to hop up in it an just let me make they throat moist
Ruby red an vodka it just carry a nigga

Give me three minutes maybe four she be wantin to
marry a nigga

[Chorus 2X: Juvenile]

Give me a project bitch

Give me a hoodrat chick

One that don't give a fuck

An say she took that dick

[Verse 3: Juvenile]

My momma send me by my grandma, my grandma
flipped out

an said we ain't gone have no evil in this house

So I rolled out scoped me an ounce sold out

but I fucked up when I started livin up in this hoes
house

Nigga started fuckin one of the broads
cause she was suckin a nigga dick so good keepin it
hard
Lettin a nigga cum all over her chest and tongue
She was still-un, I spared her because her chil-drun
She was a hoe she gave me head behind a building
aint sellin records but her mouth could sell a million
if you wanna take it there we can break it off
cause yall pussy aint gotta nigga tweakin at all
I slang this dick summer winter spring an the fall
ask me to lay it down I'm bringin it all
I'm tryin to hit ya from the back til ya holla, "Good lord
this motherfuckin dick good and it always be hard"

[Chorus]

[Verse 4: Baby]

Look - a nigga could catch me r'd up
Them white folks know the code so we g'd up
an my range rover 4 door be d'd up
Tattoos and new cars and these project cuts
Got this nigga bitch I know been wantin to fuck
I deal with sluts ladies an bitches don't give a fuck
Project bosses Weezy say "Respect Us"
Bitch nigga find me in the 4 door Lexus
I got a bitch shoot dice an a bitch that ain't right
I got a bitch who will front ya work an take ya life
I got a credit card hoe, a scam type hoe, a fraud type
hoe
Like to snort that dope, a dick suckin pro
A calico hoe, a real solid bitch out Chicago
I got a +Brat+ type bitch like to whine an shit
I got a project bitch like to start some shit [Chorus til
fade]
