I wake up in the morning and I'm thinking of you
(I'm thinking of you, yea)
Believe that you got me thinkin I've got something to
loose
(something to loose, no)
I gave you everything I got babe and in return
(and in return)
You pull away and there's a distance I don't deserve
(I don't deserve, no)

What happened to friendship
What happened to trust
They went separate ways
And baby somewhere in the middle was us

I've gotta say something
I'm first to the phone
Girl I wanna be with you
Its better now
Girl you can go

I can't understand
Why you pull away your hand
But its happened too many times
I don't wanna *beg*
For your love if love is *dead*
And the heart you're bout break is mine

So its better that you
Go, go go go go go girl just go
I said its better that you
Go go go *go go* go girl please go
So its better that you

I'm not tryin to play girl
Its not like that, no
I ain't tryin the game girl
To win you back, no

Thought we had something like
Just what I wanted

Everything I needed
Girl you completed me
But that's the problem, yea yea
And I don't know how to solve it, no

What happened to friendship
(friendship)
What happened to trust
(happened to trust)
They went separate ways
Baby somewhere in the middle is us

I've gotta say something
(say something)
I'm first to the phone
(oh whoa)
Girl I wanna be with you
Its better now
Girl that you go

I cant understand
(oh ahh)
Why you pull away your hand
But its happened to many times
(happened to many times)
I don't wanna *beg*
For your love if love is *dead*
And the heart you're gunna break is mine
(said the heart you bout to break)

So its better that you
Go, go go go go go girl just go
I said its better that you
Go go go go go go girl please go
So its better that you

I'm about to tell you something might upsetcha
You know I loved ever since I metcha
But you got me *drowning* and I'm sick cause you
don't wanta

And now I feel ashamed
Cause I just have to say
Go ahead girl walk away
Go ahead girl walk away
Go ahead girl walk away
Walk away
Go ahead girl walk away
Go ahead girl walk away
Go ahead cause cant say just what I'm feeling when I'm
next to you girl

I don't understand
Why you pull away your hand
But its happened to many times
(say what happened to trust)
I don't wanna *beg*
(she went away)
For your love if love is *dead*
but the heart you're bout to break is mine
(said its mine)

So its better that you
Go go go go go girl just go
I said its better that you
Go go go go go girl please go
Time for you to go go

No no no
Time for you
Cause its better that you
Time for you
Time for you
Said its better that you
