Verse 1

I don't believe in a fairy tale love
But I always thought that is could be us,
We spent some time togetha, we started goin togetha
Through bad stuff we weathered togetha baby,
You know I'll always love you,
Cause real love don't go away
I'll do whateva I need to do to please you,
Because I need you baby

We talk, talk, the outcome still the same and,
You won't stop, you gotta complain baby, and I
Tossin and turnin every night, can't sleep
So if you think it's alright

Chorus

If you thinkin' that everything is fine
I wanna let you know baby right now that it's not
And I know you can see that I'm hurtin inside
If you like me say yeah and if not it's alright
You think that everything is fine
I want you know baby right now that it's not
And I know you can see that I'm hurtin inside
You be like you see and if not it's alright

Verse 2

Things aint always be bad no no
And I keep thinkin about the love that we had yeah
I wanna hold you(you) and wanna love you(you)
You never listen baby all you do is argue
You get jealous when I hang with my friends
I get home late and then the drama begins
What's a man to do, girl you put me through
More that I could ever have the words to express
Said we talk

We talk talk, the outcome still the same
You won't stop, you gotta complain
Tossin and turnin every night, can't sleep
You know it ain't right

Chorus

You think that everything is fine
I want you know baby right now that it's not
Girl you can see that I'm hurtin inside
You be like you see and if not that it's alright
You think that everything is fine
I want you know baby right now that it's not
Girl you can see that I'm hurtin inside
You be like you see and if not it's alright

Bridge

(It's alright) baby it's alright, if you gotta leave me just
let me down easy
(It's alright) It's alright But you gotta tell me, love aint a
two-way street
(It's alright) Love is supposed to, make you feel happy
& make you feel complete
(It's alright) So sort it out baby
Gotta let me know because I love love love you

Chorus

You think that everything is fine
Ima let know baby right now that it's not
Girl you can see that I'm hurtin inside
You be like you see and if not that it's alright
You think that everything is fine
Ima let know baby right now that it's not
Girl you can see that I'm hurtin inside
You be like you see and if not it's alright
