[Verse 1:]

I ain't never met a girl before  
That came on in and shook up my life  
Someone \*whod\* make me give up everything  
Go from broken fall in love and baby girl's  
\*just\* something

Ohhh

My heart my time is nothing  
(Girl Ohhh)  
Her kiss just can't do without it  
\*HO-OH\*  
It's somethin' about the things you do  
Ohhh  
And \*everytime\* I think of you  
I get excited cause you're my girl  
(Yeah)

[Chorus:]

That girl  
Just the way I like it gotta have it  
Just the way  
(That girl)  
Keep me open I'll be \*hopin'\*  
That I'm \*gon'\* be with  
(That girl)  
I can't believe  
(That girl)  
She's killing me  
Crazy sexy cool baby  
You that girl

[Verse 2:]

Nothing bout' this girl is typical  
\*Got\* body right out a magazine  
(Huuhuaa)  
And she's just so incredible  
She's the type of girl that you might  
Search your whole life for  
(Ohhhh)

My heart my time its nothing  
(Girl ohhhh)  
Her kiss just can't do without it  
(Ohhhhhhh)  
It's somethin about the things you do  
(Ohhhhh)  
And every time I think of you  
I get excited cause you're my girl

[Chorus: x2]  
That girl  
Just the way I like it gotta have it  
Just the way  
(That girl)  
Keep me open I'll be hopin'  
That I'm gonna' be with  
(That girl)  
I can't believe  
(That girl)  
It's killing me  
Crazy sexy cool baby  
You that girl

[Bridge:]  
Baby takes me high

I just can't explain it  
Something's got me \*faded\* your love  
Even if I try  
I could never shake it  
Oh my baby's got me \*in\* love (ohhhh)

(That Girl)  
That girl that girl \*(ha ha aaaa)\*  
\*(That Girl)\*  
That girl that girl \*(ha ha aaaa)\*

Just the way
