Wishing you the best of luck  
I hope you make it 'cause it's so important to you

you spend all your time  
away from home  
you spend all your money  
too bad it's all gone  
you spent all your friends  
and now they're done  
you burned all your bridges  
too bad they're all gone

you're well on your way  
so don't mind me  
forget all the others  
they just don't see  
you've got everything you need  
to make it on your own  
so pour out your insides  
it won't be that long

wishing you the best of luck  
in everything you do  
wishing you the best of luck now  
hoping that you're finding everything you're looking for

i'm wishing you the best of luck  
i hope you make it 'cause it's so important to you
