kangaroo, i'm betting on the offchance, on the offtrack
you left the outback
my kangaroo
kangaroo, jack rabbit in the bushwhack
decided to give you your bounce back
my kangaroo

kangaroo, it ain't so hard for you
to bounce in my back yard
you can sail the ocean blue
my kangaroo

kangaroo, you mean more to me
than just another wannabe wallaby
my kangaroo
kangaroo, i read it in books
they say your country was settled by crooks
but it's okay my kangaroo

kangaroo, it ain't so hard for you
to bounce in my back yard
we can sail the ocean blue my kangaroo (2x)

kangaroo, please don't cry
you won't even miss the air supply
you can sail the ocean blue my kangaroo
my kangaroo
