Just aint wat i expected
mmhmm
no no
chorus
Cause He like Her And She likes him
I want her to relize
That this is a bad thing
Cause if he likes her
she likes him
then theres not a chance that,
he could ask me out again.
mm hmm
no NO
Cause he likes her
and she likes him
Oh this is more than just a trim...
This is a tragedie

ma very best friend and ma very own ex boyfriend,
getting together again
they went out befor
but that was cause he felt bad
for her...
or thats just what he said,
but ma arms are as hevy as lead...
but i can tell that *chorus*
