What's the name of that song
That makes me think of daisies,
Makes me dream of spring
Makes me wanna whistle
Makes me wanna sing
I wish I knew
What's the name of that song
That puts a silver linin right inside my coat
Makes me think of ice cream slidin down my throat
I wish I knew, what's the name of that song
This morning after breakfast I sang it all through
But tonight I forget all the words
Excepting I love you
What's the name of that song
That makes me think of lovebirds nesting in a tree
Makes me wanna whisper,
