Without a song the day would never end.  
Without a song the road could never bend  
Without a song a man ain't got a friend  
Without a Song

That field of corn would never see a plow.  
That field of corn would be deserted now.  
A man is born but he's no good nohow  
Without a Song.

I got my troubles and woes  
But sure as I know  
the Jordon will roll  
I'll get along  
As long as my song  
Is strong in my soul.

I'll never know what makes the leaves to fall.  
I'll never know what makes the grass so tall  
I only know there ain't no love at all  
Without a song.
