Cerulean and Earth  
The sky and the Earth  
Are singing together  
Angels and people  
Celebrate together.

Refr.

Christ is being born  
The Lord comes down  
The angels are singing  
The (wizards, emperors, astrologers) adore him  
shepherds are running  
They go around the manger  
Great miracles happened

And in Bethlehem  
In Bethlehem today  
There is a great miracle  
The angels are singing  
Fiu născut în lume

Refr.

And in Bethlehem  
In Bethlehem are coming  
Astrologers with joy  
Cu dar de smirnă  
Aur și tălmăcie.
