Still, still in my heart  
Here in my heart  
Oh~! Still in my heart  
Deep in my heart

Why? Why did you have to go away  
Always hard to stay  
Kiss before going over, over you

Tell me, was this really true romance  
Or just a fantasy?  
I can't believe what we've been through  
You're hanging out with someone new

Still, you're in my heart  
Baby, in my heart  
Always in my heart  
You'll never leave my heart

Still, still you're in my heart  
Deep down in my heart  
Fill me with ecstasy

Oh~! (Exactly, in my heart)

Oh, baby!  
No, baby!  
Can't let you go.

Or was it just a fantasy  
Of what I thought could be reality?  
Oh baby, can't you just see  
That I can't go on  
Never without you?

Still, still you're in my heart  
Never leave my heart  
Now and forever more  
Still, still you're in my heart  
Always in my heart  
When will I ever break free?
