Another day passes by, i'm dreamin' of you
And though i know it might be just a dream, dreams
come true
Somewhere, somehow i'll find you even though it takes
all of my life (all of my life, oh)
And when i finally do (and when i finally do)
I know inside my heart (i know inside my heart)
That there could be no doubt, i knew it from the start

Chorus:

(you are the one)
You are the one that i've been searching for my whole
life through
(you are the one)
You are the one that i've been looking for and now that
i have found you
I'll never let you go, i'll hold you in my arms 'coz you
are the one

Another night spent alone and i'm lying in the dark
(lying in the dark)
I don't know your name but i know there's a voice sings
to my heart (voice sings to my heart)
A sweet melody, a symphony of love
I know that come one day (i know that come one day)
A time for you and me (a time for you and me)
To finally be together, 'coz i know we're meant to be

Chorus

Forever is meaningless word even though you're here
with me
Here by my side, here in my heart

Instrumental

I'll never let you go, i'll hold you in my arms

Chorus (2x)
