Frankfurt, London, New York, Tokyo
Dollar, Pound, Yen and Euro

Making money is my quest
At the stock exchange I'm the best
The market is a game of chess
Make a profit and reinvest

From London to Prague
Hong Kong, shanghai
I buy and sell
And sell and buy

I've got the looks and I've got the brains -
That's why I'm so good at this game

I'm miss capitalist
(She's a capitalist)
I'm a capitalist
Miss capitalist
(And she's very rich)

I'm a capitalist

I'm a capitalist. Opportunist.
Materialist. Radicalist
Darwinist. Survival of the rich
I'm all for that and I believe in it

Make a calculated risk
Save the figures on my floppy disc
Invest and collect the double amount
Straight into my bank account

It's all or not you lose or win
You're born a loser or like me you win
People like you will always stay poor
So people like me get even more...

I'm miss capitalist
(She's a capitalist)
I'm a capitalist
Miss capitalist
(And she's very rich)

I'm a capitalist. Opportunist.
Materialist. Radicalist
Filthy stinking rich Ice cold bitch
I'm all that and I'm proud of it

I'm miss capitalist
(She's a capitalist)
I'm a capitalist
Miss capitalist
(And she's very rich)
